New full professors are Gerhard Otterberg, Dr. Alfred E. Haefer, Dr. E. W. Hertel and A. W. Swensen. Miss Elizabeth Gjervik, dean of women, is the new assistant professor of English.

Professor Otterberg, head of the history and political science department, has served his alma mater since 1933. Before that time he taught at Martin Luther academy, Sterling, Neb., and Wartburg Normal college, both of which were merged with Wartburg here.

Haefer Wartburg Graduate.

Dr. Haefer, professor of Greek, is another Wartburg graduate. After serving Wartburg at Clinton and Wartburg Seminary at Dubuque, he came to Wartburg in Waverly in 1933. He received his doctor's degree at the University of Chicago.

Prior to his joining the Wartburg faculty in 1933, Prof. Swensen of the chemistry department was an instructor at Wartburg Normal college. In 1944-45 Professor Swensen served as an instructor in analytical chemistry at the University of Iowa while doing graduate work there.

Hertel Joins in 1934.

After acting as an instructor at Hebron Junior college and at Alexander High school, Des Moines, Dr. Hertel joined the Wartburg faculty in 1934. He has his doctor's degree from the University of Nebraska.

Professor Elizabeth Gjervik has been at Wartburg since 1946. Before that she served as high school principal in four Minnesota high schools. Her master's degree is from Columbia university.

'Esther' In Convo

"Esther," a religious film, will be shown at Thursday's convocation here, as announced by Dr. John Hiltner, chairman of the committee on religious activities.

Produced by Cathedral Film at a cost of \$100,000, it has been shown at the Visual Aids workshop of the Council of Religious Education at Green Lake, Wis. Prof. Hiltner, who saw it there, declared that in his opinion it is the best religious picture produced. It covers the entire Book of Esther in 45 minutes and will be of special interest to students taking Bible.

Dr. Hiltner ended by saying, "It's a picture you'll never forget, so come early and be assured of getting a good seat."

Big names in the entertainment and literary world may be quickly noticed on Wartburg's 1947-1948 Artist Series program, as announced by Prof. A. W. Swensen, chairman of the committee in charge.

Thomas L. Thomas, popular baritone of radio and concert fame, will appear in Waverly on Oct. 22 as the first number in the annual series. Well-known for his singing as a star on radio's "Manhattan Merry-Go-Round," he is as a guest artist on several other programs. Mr. Thomas has achieved even greater fame on his concert tours and as a soloist with some of the continent's leading symphony orchestras.

Reappearing by popular request this year will be the State University of Iowa symphony orchestra under the direction of Dr. Philip Greeley Clapp, head of the University's school of music and widely known as a composer, conductor and pianist. More than a hundred renowned musicians of the University symphony will appear in Waverly Nov. 16.

March 1948 will be the title of Don R. Catlin's film-novel, to be presented Nov. 30. Mr. Catlin attempts in his pictorial lecture to transport his audience to the Holy Land of 2000 years ago by showing it as Jesus saw it.

Sidney Foster, young pianist whom the New York Times calls "an artist of high rank," will appear on Feb. 16. Especially praised for his interpretation of Chopin and Liszt compositions, Mr. Foster will act as a soloist with five leading symphony orchestras during the coming year.

March 1948 will be the last platform tour of America's foremost lecturers, Leland Stowe and Mrs. Franklin D. Roosevelt Stowe, who will appear March 11. He has been a correspondent and roving reporter in five continents for most of the past 20 years. He has filled an unusually high number of return engagements as a lecturer since 1921.

In her capacity as an American delegate to the United Nations, Mrs. Roosevelt will address her audience on its role in the shaping of world peace.

Newly selected members of the second bass section are Roger Hackbart, Grafton; Norman Johnson, Gilmore City; Donald Thomack, Okala, Wis., and Paul Sott, Milwaukee, Wis.

New membership list is subject to revision, says Dr. Limmoh. A reserve list from which names may be drawn in case of the need for choir additions has been drawn up.

New Camera Club Elects Herberner

Camera club, still in the stages of organization, elected Gerald Herberner, junior, treasurer and S. D. A. W. Swensen, Sept. 17.

Dr. Alfred Haefer, professor of Greek, was elected adviser. James Haefer, Clarence Brunnings and Elwin Bergstrasser were chosen to work with the temporary chairman in setting up a constitution.

According to Gerald Herberner, only 15 boys registered at the first meeting. So "Girls, here's your chance to join," says Gerald.

Hiltner Vice-President Of Iowa Church District

New third vice-president of the Iowa district of the American Lutheran church, Dr. John Hiltner, professor of religion and philosophy at Wartburg.

The University symphony will appear in Waverly Nov. 16.

"The Lord's Footsteps" is the title of Don R. Catlin's film-novel, to be presented Nov. 30.

Trumpet Sounds Call

Only twelve short years have passed since the TRUMPET first sounded its call to Wartburgers. Each of these years saw some improvement made in the newspaper—in typography, style or size. Last year's increased enrollment made necessary an enlarged bi-weekly that became a real journalistic credit to its alma mater.

The TRUMPET staff feels that the great expansion of Wartburg during the past few years necessitates an even greater improvement in late news coverage; therefore, this year's TRUMPET, although smaller, will be a weekly publication.

Again, the TRUMPET sounds its call to all Knights of the Cast. Wartburg—On To The Greater Wartburg!

Alumni and friends of Wartburg who desire the latest in news and views from the college may obtain that by filling out the subscription blank and mailing it with \$1.50 to the WARTBURG TRUMPET.

Knights Open Against Carthage

By Adam Meldhager

Wartburg Knights open their 1947 football season this afternoon at Carthage, Ill., where they will be met by the Carthage college Redmen.

When asked to predict the outcome of the Carthage game, Coach Melvin C. Nelson remarked, "It looks like a toss-up. Last year Carthage wasn't ready for its game with Wartburg, but it will be ready this time. We expect to run up against a better ball team than Carthage had last year."

Coach Nelson may have been a bit pessimistic when he said the prospects for the Knights' coming football season were "not too bright." Although the boys haven't been looking too good in practice, they have been working hard getting ready for the first game.

"Backfield Faster!" The backfield will be faster with the addition of Nutter and Groth," continued the coach. "We'll have passing in Allen, Dooittle, Diercks and Dohmeier. The line this year will be heavier—and slower. We lack hard, aggressive blocking and tackling. If we get these, we'll have a pretty fair team. Without them, we'll be just another ball club."

Several key men are out because of injuries. Among them are Bill Hughes, who received a back injury this year; and Don Bergman, who is having knee trouble. Neither is expected to see much action in this afternoon's encounter. John Michaelson will replace Hughes, and Ray Meyer, a converted back, is slated to start in Bergman's position.

Average Weight 189.

Average weight of the starting line is 189 pounds. The backfield will weigh in at an average 150 pounds.

Except for last minute changes, this will be the starting lineup

when the Knights take the field against the Carthage aggregation this afternoon:

Ends—Luvorn "Dutch" Sauerbry and Waldo Platte; tackles—Ray Meyer and Walby Lynes; guards—Harold Wilkine and Keith Koch; and center—Marshall Becker.

In the backfield will be Darrel Deolittle, Don Fallon, Dick Nutter and John Michaelson.

When the Knights started practice several weeks ago, many familiar faces were noticed. Returning lettermen were Bill Hughes, Waldo Platte, Don Bergman, "Dutch" Sauerbry, Don Fallon, Elgin Allen, Neil Sautter, Bob Wagner, Bill Hansen, Clem Dohmeier, Walt Block, Bill Lynes, Rudy Lechner and Dick Kamper. Bill Hughes started playing for Wartburg back in 1941 and again returned to the lineup in 1945. Bill played a lot of ball last year at fullback, and no opponent will forget him, because of his hard drives through the line.

At the ends will be "Dutch" Sauerbry and Waldo Platte, who turned in good jobs last year. We can't forget the pass that Platte caught in the last seconds of the Buena Vista game. With that pass it was either victory or defeat. Remembering the man who caught that pass, we should also remember the man who threw it, Ed Allen, whom we expect to do another good job at quarterback this year. With these lettermen back as well as all the new players, we can predict that Wartburg will have an outstanding season.

Predictions

Your sports columnists plan to be on hand when Wartburg meets the boys from Carthage this afternoon. After observing the Knights in practice and looking over first game results, we can predict a Wartburg victory by at least two touchdowns, provided, of course, that the Knights are in good condition.

In their first game with Central, last year's conference champion, the lads from Mount Pleasant bowed 19-1. Judging from this score, we predict a close game. With the advantage of playing on their home field, the Knights will be victors by a one touchdown margin.

Around The Conference

Over the week-end of Sept. 19 several of the Iowa conference teams started playing football. The Beavers of Buena Vista showed unusual strength in being downed by the University of Dubuque by only the narrow margin of 28-21.

Luther Norsemen, Knights' homecoming opponents this year, journeyed to Grand Forks, N. D., where they played the state university. The Norsemen completely outclassed the university team, and finally bowed in the last quarter because of a lack of reserve power. The gallant stand of the Norsemen in this defeat makes them one of the leading contenders for the conference crown.

Fads and Fashions

By Edie

With the return of everyone to college campuses throughout the nation, we can't help noticing the bright colors the fashion parade has brought. We also notice the decisive change in the length of women's dresses. Yes, they are now well below the knee. Fashion magazines predict that dresses will be even longer.

Don't feel left out, boys; it is predicted that new styles will be here for you, too. Yes, they say that men's trousers will be shorter, so boys, you can now style your bright socks without rolling up your trousers.

Sneep we did and through our popular fashion magazine *Made-moiselle*. There we found not only longer dresses but longer gloves. *Made-moiselle* pictures the new gloves, ranging in styles from a 4-button to a 20-button glove.

Phyllis Vaneel, Margaret Frischel and the girls from Annex 1 are definitely supporters of long skirts as we noticed them in their Sunday apparel. The length of women's dresses is the highlight of fashion talk, so let us ask the opinions of several of our students.

Herman Diers, junior of Monticello, has his own idea about the latest fashions. He remarked, "How long! To me the question is not how long the skirts should be, but how long do we have to endure this fantastic idea imported

from Paris without a tariff. I thought American womanhood prided itself in being original."

Then we have the opinion of Mary McAlpine, sophomore of Boone. "Personally, I don't especially like the new hobble-length skirts. However, I do believe longer skirts covering the knee are becoming to the majority. Most women want to follow the set fashions, but a great many college girls can't afford an entirely new wardrobe just so they can be fashionable. Thus, I say below knee length skirts are more profitable for all of us!"
